## **Disclaimer Offering Memorandum**

#### **Rights of Action for Damages or Rescission**

This presentation is considered to be an "offering memorandum" in certain provinces of Canada. Securities legislation in certain provinces of Canada in which a noffering of securities of PRRC is being made provides purchasers, in addition to any other rights they may have at law, with a remedy for rescission or damages, or both, where an offering memorandum or any amendment thereto, contains a misrepresentation. A "misrepresentation" is generally defined under applicable securities laws as an untrue statement of a material fact, or an omission to state a material fact that is required to be stated or that is necessary to make any statement not misleading in light of the circumstances in which it was made. These remedies, or notice with respect thereto, must be exercised or delivered, as the case may be, by the purchaser within the time limit prescribed, and are subject to the defences contained, in the applicable securities legislation. Canadian purchasers should refer to the applicable provisions of the securities legislation of their respective provinces for the particulars of these rights or consult with a legal advisor. The following is a summary of the rights of rescission or rights to damages available to purchasers. In this regard it is not intended that this presentation is to be made to residents of any jurisdictions outside of Canada and thus the following summary does not address any rights of rescission or rights to damages available to purchasers in any other jurisdictions outside of Canada.

#### Ontario

Under Ontario securities legislation, certain purchases who purchase securities offered by an offering memorandum (including this presentation) during the period of distribution will have a statutory right of action for damages, or while still the owner of the securities, for rescission against PRRC or any selling security holder if the offering memorandum contains a misrepresentation without regard to whether the purchasers relied on the misrepresentation. The right of action for damages is exercisable not later than the earlier of 180 days from the date the purchaser first had knowledge of the facts giving rise to the cause of action and three years from the date on which payment is made for the securities. The right of action for rescission is exercisable not later than 180-days from the date on which payment is made for the securities. The right of action for rescission is exercisable not later than 180-days from the date on which payment is made for the securities. The right of action for rescission is exercisable not later than 180-days from the date on which payment is made for the securities. The right of action for rescission is exercised to the payment is mode for the securities were offered to the payment is made for the securities were offered to the purchaser is shown to have purchased the securities with knowledge of the facts and any selling security holder will have no liability. In the case of an action for damages, PRRC and any selling security holder will not be liable for all or any portion of the damages that are proven to not represent the depreciation in value of the securities as a result of the misrepresentation relied upon.

These rights are not available in connection with a distribution made in reliance on the "accredited investor exemption" from the prospectus requirements contained under section 2.3 of National Instrument 45-106 – Prospectus Exemptions" ("NI 45-106") for a purchaser that is (a) a Canadian financial institution or a Schedule III Bank (each as defined in National Instrument 45-106 – Prospectus Exemptions), (b) the Business Development Bank of Canada incorporated under the Business Development Bank of Canada Act (Canada), or (c) a subsidiary of any person referred to in paragraphs (a) and (b), if the person owns all of the voting securities of the subsidiary, except the voting securities required by law to be owned by directors of that subsidiary. These rights are in addition to, and without derogation from, any other rights or remedies available at law to an Ontario purchaser.

This summary is subject to the express provisions of the Securities Act (Ontario) and the regulations and rules made under it, and prospective purchasers should refer to the complete text of those provisions.

#### Cautionary statements

Outcrop samples are selective by nature and grades may not be representative of mineralized zones. The drilling results reported are core length, true thickness of the mineralized zones has not yet been determined.

#### Results

Gold Equivalent values (AuEq) were calculated with a gold price of US\$1,750/oz, silver at US\$21/oz and copper at US\$3.60/lbs. Metallurgical recoveries are assumed (no metallurgical testing have been made yet on the Copper ridge mineralization) to be of 90% for gold, 80% for silver and 80% for copper.

# Why Prospect Ridge

### High Potential Drill Targets & Exploration Growth

### **Knauss Creek:**
